With the 2019 Torrance County Fair right around the corner the Torrance County Fair Board would like to extend the opportunity to become a fair sponsor

Sponsorships that are received will be used for various prizes for the youth throughout the fair.

Your contribution will make a positive difference not only to our youth, but to all those in our community who care about the development of young people and to the future of agriculture. With the support and commitment of people like you, we can ensure our community will continue to have a thriving county fair for all to enjoy.

With Level 1 Sponsorship: you will receive recognition in the 2020 fair book, 2 meal tickets to be used any day at the fair concession stand, 2 free entrances to the Torrance County Fair dance, A 2019 Fair Calendar with your name listed as sponsor, and the ability to display a banner provided by you as advertisement during the fair.
